

Maintain *physical distance!*

Practice physical distancing by walking alone or only with the people you live with

Avoid touching shared surfaces like benches, railings or interpretive panels

Look ahead and choose the empty or least busy path possible

Do not stop and talk with others. Walk alone and greet other with a smile or wave

Maintain 2 meters between you and others.
(Many parts of the Meewasin Trail are not 2 meters wide, so you will have to move off the trail while passing by)

Isolate at home in your backyard or balcony if you have traveled, or have a cough or fever symptoms

Don't touch shared surfaces like benches, railings or interpretive panels

Take any garbage home with you

Check meewasin.com for closures and updates.
